<p>Let us Celebrate Learning Do you know what the journey at Strathfieldsaye Primary School is like? Well you will see how we develop from Prep to Grade 6. Make sure you invite a friend.</p>	<p>Troy's Creative World Have you ever wondered what the stages of primary school are? Well have you? If you don't know them then come along and listen to our inspiring song.</p>	<p>Shaken not Stirred Shaken not Stirred is a great show to see to entertain you. You could see how to make rock candy, a cloud in a jar, colour mixing and inflating a balloon with coke and mentos. You could see all of these things work and how to do it. So come along and see our amazing science experiments.</p>	<p>Strathfieldsaye Footy Show Come to the footy show if you enjoy footy and want to see the interviews of the biggest names of Strathfieldsaye Football Club. We know that you will love to come to the Footy Show.</p>	<p>The Strath Journey This documentary is an educational and fun video. We are "Questions Of The Independent Minds" and we are going to amaze you with this brilliant video. We also have bloopers at the end, now you won't get that from any other documentary. Plus, you might even see yourself.</p>	<p>The Flashback If you like comedy and how the youth of today solve problems... then watch The Flashback. Starring Martin and Ash. Both of them have flashbacks throughout the film about things that have happened when they were younger.</p>
<p>A Day at Strath Join us and see our performance about how we progress and work throughout Prep to Grade 6. Come and see what a day at Strath looks like and how we collaborate and communicate with each other. We show the entire learning journey with different activities that get more and more risky each year level going up. We tell you everything you need to know about a day of interacting at Strath!</p>	<p>The Fresh Start This is a play about a boy who grows up in Indonesia and moves to Australia and he learns English. It is funny.</p>	<p>Take 7 Circus Roll up! Roll up! The Take 7 Circus is in town. Here you will see the hilarious clowns, flexible acrobats and a very silly ringmaster. So come and see us we know you want to!</p>	<p>The Advertisement Welcome to Strathfieldsaye Primary school! This is the school where great adventures are made and smart minds are discovered. Our amazing students have had a great time learning and discovering their way through life at our school! SPS being the amazing school that it is, is a place of happiness and joy, getting every child ready for their amazing future ahead!</p>	<p>Little Timmy's Big Adventure Come watch Timmy as he grows up and progresses through primary school. He will learn the ways of interacting by talking and collaborating. So watch our animation to see this adventure unravel.</p>	<p>Acro 8 Come and watch our amazing dance, we'll be acting out a dance from Prep to Year Six about communicating and collaborating. There will be disaster and success, cartwheels and flips and daring stunts which will blow your mind! So come and see our exciting, amazing and crazy dance!! Look forward to seeing you there.</p>
<p>Learn Create Inspire Ever wondered what the journey during school looks like? Well you can find out for yourself if you come along and watch. It involves dancing, learning and singing. Fantastic music with fabulous dances and amazing singing. You will learn so much by watching this. So come along and see.</p>	<p>The Play for Puppets Our puppet play will be full of joy when YOU join to watch it! So come one, come all to our amazing puppet show on the Ways of Learning from Prep through to Grade 6! So please come to our majestic show and don't miss out!</p>	<p>Cartoon Class In the rooms of preps ones and twos they are trying to find what the learner's journey is and they need a tincey wincey little bit of help from the 3/4/5/6s to get the task finished.</p>	<p>The Life of School Our Music Video has been inspired by the learning at our school and also the topic 'The Learners Journey'. Our Video shows the ways we learn and also us showing the life of school. So we hope you come and watch us show you the video of the life of school.</p>	<p>Soccer Showdown See the journey of sport skills from a Prep to a 5/6. See the skills that they will learn along the way, like communication, collaboration, risk taking and many more. Come along to see our show!</p>	<p>Circus School It is about two little boys who are learning to juggle throughout their primary school years so come and watch the circus school.</p>
