

Learner Profile

The Learner Profile represents 4 ways of learning with 8 attributes valued by the Strathfieldsaye Primary School community. We believe these attributes support individuals to reach their potential as learners and develop as socially, environmentally and globally aware students who participate in their community.

As learners at Strathfieldsaye Primary School we strive to be

<i>Ways of Learning</i>	<i>Self-Monitoring</i>	I know what I am learning, why and where to next. I set goals and work towards achieving them through feedback and reflection.
	<i>Creative</i>	I have the ability to imagine new, unusual or unique ideas, learn through mistakes and have fun.
<i>Ways of Thinking</i>	<i>Risk Takers</i>	I have the independence to explore situations with confidence and forethought. I feel safe enough to make calculated decisions and be accountable for my actions.
	<i>Inquirers</i>	I am a self-motivated learner who builds generalisation based on experience. This may involve questioning, research, connecting ideas and creating or justifying.
<i>Ways of Contributing</i>	<i>Personally and Socially Responsible</i>	I solve problems and participate in making age appropriate decisions for the physical, emotional and social well-being of myself and others.
	<i>Community Minded</i>	I acquire the knowledge, understanding, skills and confidence which will enable me to contribute to my community and participate in and lead action in my local and global community.
<i>Ways of Interacting</i>	<i>Collaborators</i>	I work as part of a team, and share goals, ideas and resources to achieve more through consensus.
	<i>Communicators</i>	I understand and express ideas and information confidently and creatively and in a variety of modes of communication.
