# Wristband Payments

- **Wristbands** will be used for payment at all SPS stalls, rides and activities.
- **Payment Gazebos** will be stationed around the fair to allow for quick and fuss free purchases of wristbands.
- **EFTPOS** facilities are available at the payment gazebos.  
(please note: cash withdrawals unavailable)
- When you purchase something, the value will be **crossed off** the wristband.
- Wristband used up? Just pop to the payment gazebo and buy another.

Food Trucks and Boutique Market stalls will be cash **only**.

**DON'T FORGET**

Unused tickets & wristbands are non-refundable, so make sure you use them up!

## Community Fair Funding Allocation

Our families were recently invited to share their thoughts about how the Community Fair funds could be allocated. They were asked to consider what they believed would best support our students learning needs and have the biggest impact on the greatest number of students.

After collating all the ideas, the Fair Committee and Parents and Friends Committee put forward their recommendations to School Council. They agreed that the funds raised will go towards new furniture for our Common Area in our Gr 5/6 building. As this space is regularly used by all year levels and for special family events, School Council thought that everyone would benefit from this lovely new educational furniture. Here are some examples of what our new furniture might look like...

Food	
Sausage in bread <small>(plain, with onion, coleslaw)</small>	\$2
Hamburger in bread <small>(plain, with onion, coleslaw)</small>	\$4
