

YARD DUTY SUPERVISION POLICY

PURPOSE

To ensure school staff understand their supervision and yard duty responsibilities.

SCOPE

The principal is responsible for ensuring that there is a well-organised and responsive system of supervision in place during school hours, before and after school, and on school excursions and camps.

This policy applies to all teaching and non-teaching staff at Strathfieldsaye Primary School, including education support staff, casual relief teachers and visiting teachers.

School staff are responsible for following reasonable and lawful instructions from the principal, including instructions to provide supervision to students at specific dates, time and places.

POLICY

Before and After School

Strathfieldsaye Primary School's grounds are supervised by school staff from 8:45 am until 3:45 pm. Outside of these hours, school staff will not be available to supervise students.

Parents and carers should not allow their children to attend Strathfieldsaye Primary School outside of these hours. Families are encouraged to contact the school's front office by phoning 03 5439 5207 for more information about the before and after school care facilities available to our school community.

If a student arrives at school before supervision commences at the beginning of the day, the principal or nominee staff member will, as soon as practicable, follow up with the parent/carer to:

- advise of the supervision arrangements before school
- request that the parent/ carer make alternate arrangements.

If a student is not collected before supervision finishes at the end of the day, the principal or nominee staff member will consider whether it is appropriate to:

- attempt to contact the parents/carers
- attempt to contact the emergency contacts
- place the student in the OSH out of school hours care program
- contact Victoria Police and/or the Department of Health and Human Services (Child Protection) to arrange for the supervision, care and protection of the student.

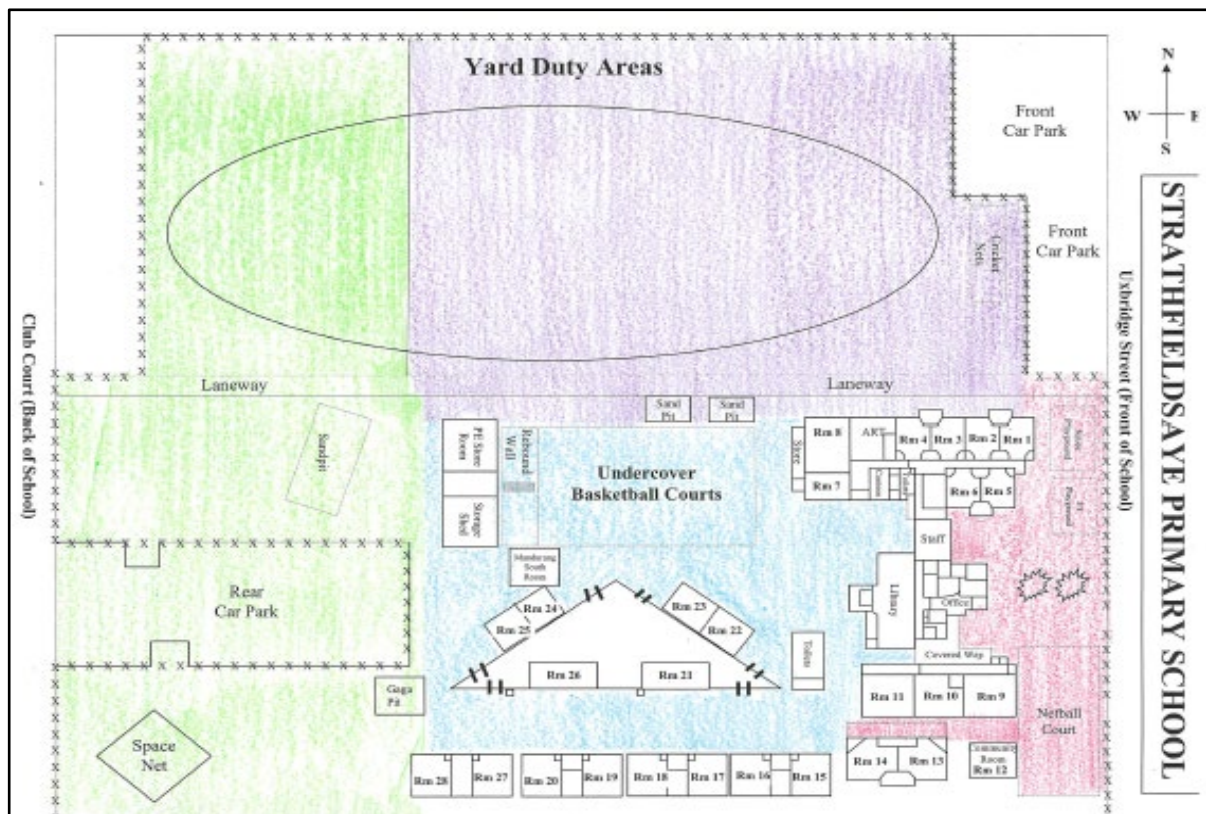

School staff who are rostered on for before or after school supervision must follow the processes outlined below.

Yard Duty Supervision

All staff at Strathfieldsaye Primary School are expected to assist with yard duty supervision and will be included in the weekly roster.

The yard duty roster will be prepared by a staff member every term and will be displayed with the yard duty bags in the staffroom. At Strathfieldsaye Primary School, school staff will be designated a specific yard duty area to supervise. The designated yard duty areas for our school include:

Zone	Area
Zone 1	Patrols the front of the school, between the administration areas and rooms 9/10/11, around the Community Room and rooms 13/14. Changeover is at the front door of the office
Zone 2	Patrols the basketball court, area between rooms 22/23/24/25, area outside of room 15/16/17/18 19/20/27/28 and area behind library/staff room/toilet area. Changeover is at the library door.
Zone 3	Patrols the back of the school, behind the large sheds, Space Net, GaGa Pit, sandpit and top third of the oval. Changeover is at the GaGa Pit.
Zone 4	Patrols two thirds of the oval, junior sand pit, laneway and area outside of rooms 1-4 and room 8. Changeover is at the junior sandpit.

School staff must wear a provided safety/hi-vis vest whilst on yard duty. Safety/hi-vis vests will be stored next to the pigeon holes in the staff room.

Staff who are rostered for yard duty must remain in the designated area until they are replaced by a relieving teacher.

During yard duty, supervising staff must:

- methodically move around the designated zone keeping particularly vigilant with identified hot spots in the yard such as the GaGa Pit, basketball court, oval and back sandpit
- be alert and actively supervising the area
- intervene immediately if potentially dangerous or inappropriate behaviour is observed in the yard
- enforce behavioural standards and implement appropriate consequences for breaches of safety rules, in accordance with any relevant disciplinary measures as per our SWPBS behaviour matrix
- ensure that students who require first aid assistance receive it as soon as practicable by giving students a slip that contains an explanation of the injury for sick bay staff
- office staff to log all sick bay visits on Compass
- if being relieved of their yard duty shift by another staff member, ensure that a brief but adequate verbal 'handover' is given to the next staff member in relation to any issues which may have arisen during the first shift.

If the supervising staff member is unable to conduct yard duty at the designated time, they should contact the Assistant Principal with as much notice as possible prior to the relevant yard duty shift to ensure that alternative arrangements are made.

If the supervising staff member needs to leave yard duty during the allocated time, they should contact the Assistant Principal but should not leave the designated area until the relieving staff member has arrived in the handover location.

If a relieving or next staff member does not arrive for yard duty, the staff member currently on duty should call the front office/Assistant Principal and not leave the designated area until a replacement staff member has arrived.

Should students require assistance during recess or lunchtime, they are encouraged to speak to the supervising yard duty staff member.

Classroom Supervision

The classroom teacher is responsible for the supervision of all students in their care during class.

If a teacher needs to leave the classroom unattended at any time during a lesson, they should first contact the Assistant Principal for assistance. The teacher should then wait until another staff member has arrived at the classroom to supervise the class prior to leaving.

School Activities, Camps and Excursions

The principal and leadership team are responsible for ensuring that students are appropriately supervised during all school activities, camps and excursions, including when external providers are engaged to conduct part or all of the activities. Appropriate supervision will be planned for special school activities, camps and excursions on an individual basis, depending on the activities to be undertaken and the level of potential risk involved.
