

2024 Parent Contributions

13th February 2024.

Dear Parent/Guardian,

Strathfieldsaye Primary School is looking forward to another great year of teaching and learning and we thank you for your ongoing support for our school. We would like to take this opportunity to advise you of our school council endorsed, Parent Contributions for 2024. Schools provide students with free instruction to fulfil the standard Victorian Curriculum, but we rely on the ongoing financial support of our families for classroom student resources, equipment, and additional programs. We ensure that our school offers the best possible education and support for our students, during their time with us and your financial support allows us to offer a wider range of subjects and special curriculum experiences, specialist programs and enhanced digital learning opportunities.

Please find the Parent Contributions 2024 schedule for your child attached. We would appreciate families making their voluntary contributions and payments as soon as possible. Contributions and payments should be finalised by **Friday, 14th June 2024**, using our preferred payment method, via the Compass portal. Other payment methods are cash, direct debit and EFT at the school office. If required, payment plan arrangements are also available via the Compass portal, or by contacting the school office.

In addition, further information is also available on our Compass portal regarding the Department of Education Parent Payment Policy.

Kind regards,

Cindi Bruechert
Principal

2024 PARENT CONTRIBUTIONS - FOUNDATION
